## SKILLS

---

### Languages/Frameworks Tools/Others

JavaScript, TypeScript, Node.JS, Angular, CSS, SQL, NoSQL  
AWS, Azure, ES6, Microservices, Express.JS, Git, Jira, Agile, Jest,  
TypeORM, TDD, Swagger, Postman, MongoDB, CI/CD, Linux

## EXPERIENCE

---

### Retailo — Software Engineer (Backend)

*January 2022 - Current*

Retailo is the fastest growing B2B startup in the MENAP region. Being a part of the platform team, my responsibilities include:

- Exposing core services such as authentication, notification, customer data, etc for customer facing modules.
- Migrating and rewriting the in-house monolith modules to microservices.

### IBM — Application Consultant (Unica, AWS & Azure)

*April 2020 - January 2022*

Worked on the implementation of IBM's enterprise marketing tool for an international telecommunications client. I was responsible for:

- Development of inbound/outbound marketing campaigns and deriving analytical insights.
- Strategizing with the client to map business requirements to development workflows.

### Xgrid — Software Engineer (Full-Stack)

*September 2019 - March 2020*

Worked on Cisco SD-WAN orchestration systems. My responsibilities included:

- Developing and maintaining the REST API. Contributed in making the system scale horizontally.
- Developing front-end components according to UX specifications and workflow requirements.

## OPEN-SOURCE & FREELANCE

---

**Freelance Full-Stack Developer** - Worked as a freelance Full-Stack developer on Fiverr from July 2019 - July 2021. Delivered 150+ projects with 100% client satisfaction rate to achieve and maintain Level 2 seller status.

**Infinity Drive (Final Year Project)** - A cloud storage management system which can merge storage from different cloud accounts into a single pool by incorporating algorithms to split and merge files at run-time. Contributed to open-source OneDrive API for JavaScript by implementing large file uploads.

## EDUCATION

---

### COMSATS University, Islamabad

Bachelors in Computer Science

*September 2015 - July 2019*

CGPA: 3.50 / 4.00

## CERTIFICATIONS

---

### AWS Certified Cloud Practitioner (CLF-C01) — AWS

*October 2021*

### Azure Fundamentals (AZ-900) — Microsoft

*March 2021*
